Dan Gerdeman : Big Ideas for Small Movies before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Ideas for Small Movies:

Big Ideas for Small Movies provides over 200 thoughtful and inspiring ideas for making short films. It is thematically arranged around self-concepts, myths and legends, art, documentary, and real and imagined worlds. If you are an aspiring filmmaker, photographer, writer, animator, painter, or teacher of any fine art discipline, you will find inspiration within the covers of Big Ideas for Small Movies. It's a must-have book for pioneers in a digital world.

About the Author Dan Gerdeman received his B.S. in Art Education from the Bowling Green State University and his M.A. in Art Education from the Ohio State University. An award winning artist and teacher, he has taught in rural,

suburban, and inner city schools in Ohio and California. His students have participated in, and recieved accolades in many regional and national film festivals. He is a painter, printmaker, and short film maker.
