Dave Barry : Big Trouble: A Novel (Large Print Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Trouble: A Novel (Large Print Edition):

3 of 3 people found the following review helpful. combined with a love story, and a book on modern parentingBy jaimeshawnDave manages to combined Russian mafia, a hit team from New Jersey, a dog with the IQ of celery, irresponsible teenagers, sacrificial goats, rogue FBI agents and other petty criminals, and a nuclear bomb to explain just one day's worth of 5 o'clock news for Miami. You could think of it as a travelogue for those not familiar with the customs of the people of Miami, combined with a love story, and a book on modern parenting....0 of 0 people found the following review helpful. Dry and Slapstick humor all bundled togetherBy NikkiThis has been one of my all-time favorite books since I first read it 17 years ago. I own the hardcover, e-book, and Audible editions, plus the DVD. The story line is absolutely ridiculous and that's what makes it so funny. The humor manages to be slapstick and dry at the same time, which makes it difficult for some people to get it. I also recommend Dave Barry's books (in this order): Lunatics, Insane City, and Deep Trouble.0 of 0 people found the following review helpful. A good read but not exactly the same as the movie version.By L. GandyI like Dave Barry's work. That being said, if you have watched the movie starring Tim Allen, Rene Russo, Dennis Farina and Tom Sizemore, it was taken from this book but it has more of a comedic edge than this story. Of the two I like the movie version better but this book is still a good read.

Bestselling funnyman and Pulitzer Prize winner Dave Barry makes a triumphant mystery debut with this razor-sharp comedy of errors set in Coconut Grove. Inside the Herk residence, Jenny and her mom sit down for a quiet night of TV. Outside, from the vantage point of a treehouse, a homeless man named Puggy watches two sets of armed men.

Teenagers Matt and Andrew are planning a "killer" attack using a Squirtmaster 9000 on Jenny; hit men Henry and Leonard have a real game of killer in mind for Jenny's embezzling stepfather. Soon, they'll all collide in an explosive event that will rick the Miami police force to its very core. Don't miss one of the funniest books in decades!
