**Nola Lee Kelsey : Bitch Unleashed Revised: The Harsh Realities of Goin' Country** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bitch Unleashed Revised: The Harsh Realities of Goin' Country:

2 of 2 people found the following review helpful. Laugh-out-loud funny By V. Stone Many, many times, this book

made me crack up completely. If you're a city person wrestling with whether to leave the rat race behind, this will make you think twice, and laugh many more times. If you're a life-long country person, you'll laugh with recognition of your neighbor's personalities. I particularly enjoyed the useful "how-to" lists for chicken ownership and goat-milking. Do yourself a favor and read this book! (Get the revised version.) Bitch Unleashed Revised!: The Harsh Realities of Goin' Country

2 of 2 people found the following review helpful. Everyone can relate! Perfectly side-splitting.

By S. McClurg  
This book is hilarious! Ms. Kelsey has a great sense of humor. If you want to read something like you have never read before, this is your book. It's got stuff for the city and country people, especially for those who have switched environments. I can truly relate to Bitch Unleashed, and think everyone can, which makes this even more entertaining. You have got to read this. Buy it new, so you can read it more than once, you will want to!

A wicked, gut-wrenching, satire for despondent urban refugees, flabbergasted backyard farmers and devotees of evil mirth.

"Believe me, I say this with a genuine smile and in good humor... she ain't right." -- Joseph O. Patton, Capital City Free Press, March 20, 2006 "...an hilarious statement describing certain universal truths involved in a move from city to country." -- Midwest Book s  
"Her satirical style will cause you to double over in fits of laughter..." -- Karen Yekel, Hot Springs Star  
Believe me, I say this with a genuine smile and in good humor... she ain't right. -- Joseph O. Patton, Capital City Free Press  
Believe me, I say this with a genuine smile and in good humor... she ain't right. -- Joseph O. Patton, Capital City Free Press  
From the Publisher  
From the delightfully skewed mind behind Dogs: Funny Side Up! "If you took the lovechild of Barry, Bombeck and Barr (it was a threesome), dressed her up in taffeta and beat her with a milk goat - Nola Kelsey would result!"
