J. T. Rogers : Blood and Gifts before purchasing it in order to gage whether or not it would be worth my time, and all praised Blood and Gifts:

0 of 0 people found the following review helpful. Important issues, confusing contextBy Faye GirshThis deals with powerful, important issues in our ongoing wars but I found it confusing though the points are made. I think it is hard to perform though the content is significant.

My God, Russian soldiers being shot with Chinese bullets. Sometimes the world is so beautiful.Its 1981. As the Soviet

army burns its way through Afghanistan, CIA operative Jim Warnock is sent to try to halt its bloody progress, beginning a secret spy war behind the official hostilities. Jim and his counterparts in the KGB and the British and Pakistani secret services wrestle with ever-shifting personal and political loyalties. With the outcome of the entire Cold War at stake, Jim and a larger-than-life Afghan warlord decide to place their trust in each other. Spanning a decade and playing out in Washington, D.C., Pakistan, and Afghanistan, *Blood and Gifts* is a sweeping, often shockingly funny epic set against one of the greatest historical events of recent history, the repercussions of which continue to shape our world.

It grips entirely . . . Imagine that John le Carr collaborated with . . . a disaffected renegade from *The West Wing*. Libby Purves, *The Times* (London)
