1 of 1 people found the following review helpful. Good bookBy Jacqueline U.It has a lot of jokes which seem to be more like stand up comedy in written form. The jokes are funny, i liked the book. My only problem with the book was that some of the jokes were not easy to understand/interpret. Maybe that's because I'm a teenager but i think that adults will really enjoy this book, teenagers... maybe and little kids.... not so much( they might not even understand any of the jokes). I do not recommend this book for children or little kids at all but if you're an adult, you can try it and see if you like it. If you do like it, then go for it.1 of 1 people found the following review helpful. Funny! Lots belly laughsBy Kylee MillsVery Funnny Book... I used this at work one day and boy did we get some laughs. This is a great thing for any adult gathering! Funnny for sure! Would recommend to any reader especially a avid jokester!0 of 0 people found the following review helpful. One StarBy michael metcalfSome were kinda funny but most were STUPID
