**Ginette Vincendeau : Brigitte Bardot: The Life, the Legend, the Movies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brigitte Bardot: The Life, the Legend, the Movies:

When Brigitte Bardot appeared in Roger Vadim's *And God Created Woman* in 1957, her beauty set the world alight. But Bardot was more than just a sex symbol: she was a daring actress who worked with some of cinema's most-revered directors, including Jean-Luc Godard and Louis Malle. Film critic Ginette Vincendeau delves into Bardot's career and life, including her four marriages, her decision to "get out elegantly" and retire at a young age, and most notably, her unforgettable performances in *Le Mpris*, *Les Femmes*, and *Les Ptoleuses*. In addition to stunning photos of Bardot in her iconic roles, this visual biography includes 15 facsimiles of posters and other documents.
