**Peter B. Orlik : Broadcast/Broadband Copywriting (8th Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Broadcast/Broadband Copywriting (8th Edition):

Broadcast/Broadband Copywriting is the most widely used book for learning how to write all types of copy for the electronic media. This book addresses the fundamental rules and techniques common to electronic media scripting with a depth of coverage unmatched by other texts, but without assuming any prior media writing, production, or advertising experience on the part of the reader. Return to PIC when completed. Thank you!
