**Cameron Jamie : Cameron Jamie: Inner Planets** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cameron Jamie: Inner Planets:

Over the course of his two-decade career, Cameron Jamie (born 1969) has repeatedly explored the theme of the mask. Inner Planets is a group of 43 clay masks. This publication documents the series with installation shots of its

presentation at the Palmenhaus de Alten Botanischen Gartens in Zurich.
