The Greatest Cast,The Great FriendsBy EllenAm enjoying reading this.Some good info on the cast.They really were quite funny.Too bad Joan Sims and Ken Williams couldn't have made a match,she really loved him,and he really seemed to care about her,but she turned him down because he

wouldn't touch her.I think that may also have had some play in her drinking problem.She was so great in As Time Goes By,too.Don't know why anyone has to harp about her weight!A beautiful woman!
