From W R Chambers Ltd : Chambers Concise Encyclopedia of Film and Television before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers Concise Encyclopedia of Film and Television:

A reference guide to popular film and television shows. Among the 700-plus entries are actor biographies and features on film and cult television shows such as "Twin Peaks" and "Coronation Street". Artistic concepts and technical descriptions - such as "key grip " - are also included.
