I would have wanted to see more concept art and more of the ideas behind the making of the movie.0 of 0 people found the following review helpful. Chappie is an upcoming film directed by Neill Blomkamp (District 9 and Elysium), written by Neill Blomkamp Terri Tatchell. The film stars Sharlto Copley (Elysium, The A-Team), Dev Patel (Slumdog Millionaire), Ninja and Yo-Landi Vi\$er, Jose Pablo Cantillo (The Walking Dead), with Sigourney Weaver (Aliens, Avatar), and Hugh Jackman (Wolverine, X-Men).

"Most of the book is dedicated to this kind of almost happy-go-lucky customization that the artwork evolves through, and its pretty awesome flipping the pages as different pieces of the project take shape." - Midroad Movie "You won't regret reading it, because it's something different and beautifully dark for adult readers. It's one of the best and most fascinating retellings of Snow White available." - Artbook Passion"Very well put together." - City of Films"If you are like me, fascinated with the art of filmmaking, and behind the scenes information from character design to set design this is one you will want to pick up." - Watch Play Read"If you want further exploration into the movie and interested

in the world building aspects, the way cool mech designs and shooting locations of Chappie, then Chappie: The Art of the Movie should be picked up and added to your library shelf." - Retrenders "Its hard to believe that theres any piece of information about the production of Chappie that isnt included here." - Roger Ebert.com About the Author PETER APERLO is an LA-based writer whose credits include the screenplay to the video game 300: March to Glory. He is the writer of the Watchmen Movie Companion and The Art of Watchmen movie book.
