About the Author Cheech Chong defined a generation with their classic, counter-culture comedy albums and cult films, such as the wildly popular Earache My Eye and Up in Smoke. After their split, the pair went on to have successful solo careers in both TV and film, with Cheech taking on roles like Joe on Nash Bridges and Belini in Once Upon a Time in Mexico, and Chong portraying Leo in That '70's Show. After 25 years apart they reunited in 2008 for a comeback comedy tour, new video game, and feature film. They live in Los Angeles, California.
