**Ursula Bielski : Chicago Haunts: Ghostly Lore of the Windy City** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chicago Haunts: Ghostly Lore of the Windy City:

With the first edition of Chicago Haunts, author Ursula Bielski captured 160 years of Chicago's haunted history in the first volume ever devoted to this intriguing subject. Combining lively storytelling with in-depth historical research,

exclusive interviews, and insights from parapsychology, Bielski penned a unique and fascinating exploration of the region's supernatural folklore.
