By Zack Owens I have the Broadway Vocal Selections, and that was just fabulous, but this one is by far my favorite. Kander and Ebb (Cabaret) are the kings of Broadway. And this one has my favorite Chicago song, "Cell Block Tango" which i loved on stage and loved even more on screen. These songs are the best, and I hope Broadway shows get better and better, because in my opinion, these two gentlemen have set the bar...and it is high!!! 1 of 3 people found the following review helpful. Difficult to play, but fun to have! By A Customer You don't need to play the piano to enjoy this book. With 8

pages of picture, it's pretty enjoyable. Plus it has the lyrics, and the different stage ending for "Cell Block Tango".

(Vocal Selections). We're very proud to present this deluxe piano/vocal folio featuring music from the movie sensation Chicago Oscar winner for Movie of the Year! In addition to 8 pages of sizzling color photos from the film, this book differs from the Broadway Vocal Selections (00312087) by featuring three songs that have never before appeared in print ("Cell Block Tango," "We Both Reached for the Gun," "I Can't Do It Alone"), and the Oscar-nominated new song "I Move On" written especially for the movie by Kander and Ebb the show's original composer and lyricist. This folio also includes a history of the show on stage, and new editions of the songs "And All That Jazz," "Roxie" and "Nowadays" transposed into lower keys (as sung in the movie) for belters, in addition to the classic numbers "Funny Honey," "When You're Good to Mama," "All I Care About," "Mister Cellophane," "Razzle Dazzle" and "Class," for a total of 13 terrific songs in all!
