Edward Lee Tucker : Christian Cartoons for the Church Office before purchasing it in order to gage whether or not it would be worth my time, and all praised Christian Cartoons for the Church Office:

Edward Lee Tucker, affectionately known as Friar Tuck through years of illustrating books by Lyle E. Schaller, assembles here 500 of his finest cartoons for use in church communications, such as newsletters, capital appeals, bulletins, web pages, and pastoral letters. The purpose of the art is to help leaders develop a high-commitment congregation. The cartoons are labeled and searched by keywords that focus on the primary functional ministries of the church, including evangelism, stewardship, Christian education, finance, administration, church growth, missions, and much more.
