**First Last : CINEMA SEWER VOLUME 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised CINEMA SEWER VOLUME 1:

1 of 1 people found the following review helpful. fun fun stuff!By Liliya K.I hadn't heard of Cinema Sewer before, and these compilations are sooo worth getting. Intelligent, articulate reviews of the cinema fringe, dosed with true fanboy flair, snark, and good humor and #awesome artwork. A great resource for everyone who has a soft spot for grindhouse and all its sick skanky spooky relatives, from classics to more recent offerings.60 of 62 people found the following review helpful. great compilationBy J. BreenI've never heard of Cinema Sewer before, so I was curious

about this compilation of the best of 12 out-of-print issues from this underground Canadian 'zine. I was pleasantly surprised. Cinema Sewer focuses mainly on horror, exploitation and "classic" 70's porn rarities, of which I also have a keen interest. In addition to the well written, humorous reviews, there's lots of spectacular artwork on display from Cinema Sewer's founder, Robin Bougie, as well as from his wife Rebecca Dart (a side note: I was happy to find that I'm not the only woman interested in this stuff). An important word of warning: this book is for ADULTS ONLY! Some of the very detailed drawings are EXTREMELY graphic, and the language used is pretty graphic too. If you have a sensitive disposition, and are easily offended, DON'T buy this book. However, if you're into old 70's porn rarities, exploitation and horror films, and enjoy writing that will make you laugh and art that'll make you gasp, you owe it to yourself to check this book out. Have fun!

0 of 0 people found the following review helpful. Cool book collecting really strange cinema

By HANK When I bought this book I wasn't aware of just how dirty it would be, and I love it!! Gross, perverted, and violent articles chronicling underground and Hollywood sleaze. I was also delighted to find a write-up of one of my most beloved directors of all time: Ralph Bakshi. This book is a must for hardcore underground cinema fans and people who are looking for a good way to discover some new avenues in this particular genre.

A mind-melting compilation of gonzo writing, illustration and comics about the most insane, sexy, awkward, cheesy, hilarious, upsetting and jaw-dropping movies in the history of film, 'Cinema Sewer' joyously celebrates the sleaziest aspects of the moviegoing experience, whilst delving deep into bizarre cinematic history.
