The binding was completely tattered and the front and back covera detached. 0 of 0 people found the following review helpful. Five Stars By Brian Ramirez Perfect for film lovers! 1 of 3 people found the following review helpful. It had pictures of Russell Crowe.. By cynicalgirl Not just Russell but all the stars! Not the best book maybe but as a RC fan I enjoyed the nice clippings and the full page photos of the BEAUTIFUL MIND and GLADIATOR movie posters. This is a collection of press releases, I guess is the best way to put it, and very good resource material but not a book you just sit down and read through. A pick and choose type book.

Tracing the development of cinema from the first experiments of Edison to all the winners of the 2006 Academy

Awards, this bestselling annual is the definitive chronology of the movies.
