Just As Fantastic As The MovieBy GameraRocksThese stories are unbelievable!! Kevin

Smith has come through once again with these stories which are just as funny as the movies. There are jokes in here that will have you laughing out loud, and there are some moments in here that will fill you with the Christmas Spirit. There is even a scene that was actually emotional. Dante and Randal are the main focus in these stories, since it is about "Clerks". Other characters from the View Askewniverse are also in these stories, even the return of Caitlin Bree!! There is even a scene with everyone's favorite guy who just wants to see the sailboat, you know who I'm talking about. If you loved the movie, you will love these stories too. They are just as witty and funny, with a little true drama thrown in, as the movie you have come to love. As a fan, you owe it to yourself to pick this up, it is worth every penny!!
