Don't wait too late in the year to get next years, the price grows as availability gets low. Also love the random puzzles and facts.0 of 0 people found the following review helpful. Close to Home Page-A-Day Calendar.By BrunhildaThis was a hit with the gift recipient.0 of 0 people found the following review helpful. Clever and unexpectedBy R. SolomonI get one of these every year for my husband. He loves the off the wall humor of these cartoons. This really starts his day off with a bit of fun. Would recommend if you have a different sense of humor!

John McPherson's quick-witted and zany characters combined with his unconventional and twisted humor have made Close to Home one of the funniest cartoons around.From the company who installed Whack-a-Manager to help boost morale in the office to the substitute teacher who wears a fake eye on the back of the head to keep her students from becoming unruly to the man who outfitted himself with a personal slot machine to supplement his income, the wackiness never gets old. Each page of the Close to Home 2017 Day-to-Day Calendar features one of John's

humorous cartoons and as an added bonus, the weekends feature John's picks of his favorite cartoons from his twenty-five year career.

About the Author John McPherson hails from Painted Post, New York. He holds mechanical engineering and English degrees from Bucknell University and began drawing Close to Home in 1992. He currently resides in upstate New York with his two sons.
