Happy Jack Feder : Clown Skits for Everyone before purchasing it in order to gage whether or not it would be worth my time, and all praised Clown Skits for Everyone:

0 of 0 people found the following review helpful. Good book to begin withBy W. LionbergGood book for beginning to intermediate clown skits. There are better books on clown skits.1 of 1 people found the following review helpful. great bookBy Can-Dee the clowngood G rated skits. My club uses it often. It is a good teaching tool Thank you for

your listing. 0 of 0 people found the following review helpful. not very creative
By Tazzie
So I was expecting a lot more. This book does not have a big variety of skits like I hoped. It lacks creativity and doesn't give the skills needed to easily create your own. I was hoping it would give better suggestions for everyone to create a variety of skits. This is more like an intro and some ideas.

Everything you need to know to be a performing clown - written by a performing clown! Advice and ideas plus thirty-two easy-to-perform skits for one or two clown acts. Talks about gestures and actions, rehearsals and routines, talking or miming, modifying skits and the mechanics of performance. Tells about how to make props and the best techniques for beginners. All of the thirty-two skits included in the book have been performance-tested - simplified for easy memorization. The book is delightfully illustrated throughout by Lafe Locke.
