Jon Van Oast, Nicole J. Georges : Coffeeshop Crushes: Tales of Love and Lust in Coffee Establishments (World Around Us) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Coffeeshop Crushes: Tales of Love and Lust in Coffee Establishments (World Around Us):

If you've ever crushed out on your local barista, Coffeeshop Crushes: Tales of Love and Lust in Coffee Establishments is your new best friend! Editors Nicole J. Georges (Invincible Summer) and Jon Van Oast take you into the sexy, confusing, hilarious realm of server/customer romance (both required and, sadly, otherwise.) With contributions from folks like Too Much Coffee Man's Shannon Wheeler, Brainfag comic dude Nate Beaty, and Constant Rider's Kate Lopresti, Coffeeshop Crushes is one big ball of sexual frustration and nerve-shattering caffeine! As raunchy and

graphic as it is sweet and coy, this zine contains 32 pages of sex, lies, and ber-embarrassing shoot-downs that will keep you laughing and cringing until you're too caffeine-buzzed to think!

"Who among us has not fallen deeply in love, if only for a fleeting two minutes, with the cutie making our drink at the local coffeeshop? Certainly, its happened to us all. Coffeeshop Crushes is devoted to these fleeting fancies and is one of the most charming zines Ive read in recent memory." Indie Street

Split between amusing anecdotes about secret crushes and illustrated comics that chart jittery attempts to gain the attention of beloved baristas. While a good many of the crushes remain simply that, a few gain purchase as lusty encounters of promise that end with embarrassing failures or broken hearts. As one such account concludes: "After a week and a half of coffee themed hot sex, I decided to declare my love. I was more surprised than he. He said, 'You know you're cute and all, but... You're just too weird for me.'" Utne Reader
