Arpad Szakolczai : Comedy and the Public Sphere: The Rebirth of Theatre as Comedy and the Genealogy of the Modern Public Arena (Routledge Studies in Social and Political Thought) before purchasing it in order to

gage whether or not it would be worth my time, and all praised *Comedy and the Public Sphere: The Rebirth of Theatre as Comedy and the Genealogy of the Modern Public Arena* (Routledge Studies in Social and Political Thought):

The book aims at reframing the discussion on the "public sphere," usually understood as the place where the public opinion is formed, through rational discussion. The aim of this book is to give an account of this rationality, and its serious shortcomings, examining the role of the media and the confusing of public roles and personal identity. It focuses in particular on the role of the theatrical and comical in the historical development of the public sphere, and in this manner reformulating definitions of common sense, personal identity, and culture.

About the Author Arpad Szakolczai is Professor of Sociology at University College Cork, Ireland.
