It's written in short vignettes, making each chapter a stand-alone stand-up story, that made it easy to pick up and read anywhere at anytime. But the fun part is not how the book is written, but the topic.The author is a stand-up comedian, wife, mother and animal savior all at the same time. Mostly you hear of the male attitude and life on the road in books

about stand-up, so this was a refreshing look at "the other side." It's not easy to make an audience laugh on a consistent basis, but juggling it all as a mom of three with a husband and various animals running through the house makes it more of an obstacle course. Ms. Edwards keeps us entertained by sharing her thoughts, experiences and real life feelings of "motherhood." I particularly enjoyed her insights into some of the famous comedians she's worked with and her penchant for practical jokes. I doubt Gilbert Gottfried and Carrot Top ever looked at her the same after their comedy club misadventures. This is a not only a good read for anyone interested in the comedy biz, but also just for the fun of it. 0 of 0 people found the following review helpful. Sally gets life and her humor is clean and spot on. I think this book would make a great hostess gift or stocking stuffer gift at Christmas. A lot of this book felt like it was written about my life, but Sally had the gumption to go forward with her stand up comedy, as I did not. Way to go Sally!!!

"Comedy Mom! My Funny Stand-up Life" by female comedian and motivational speaker, Sally Edwards, is a very funny and inspiring book about parenting and stand-up comedy. It is both hilarious and personally uplifting. Sally Edwards is a mom, comedian and animal rescuer who overcomes paralyzing stage fright by discovering hilarity in the raising of her own children. Experiencing an unsettling childhood, Sally Edwards lives her teenage years at an all-girls' Catholic boarding school where she first discovers she has a gift for making people laugh. The birth of Sally's three children with Zanies' Comedy Club Executive Vice President, Bert Haas, inspires a wealth of funny stories and positive messages!

BRINGS THE FUNNY HOME!
