**Johnny Ryan : Comics Are For Idiots** before purchasing it in order to gage whether or not it would be worth my time, and all praised Comics Are For Idiots:

0 of 0 people found the following review helpful. Pushes the boundaries on shock and crassnessBy R. P. KamathHighly offensive on almost every conceivable level, but that's the point of Johnny Ryan's comics. If you like politically incorrect shock humor, particularly of the juvenile variety, this comic is for you. Check your brain at the door, because there's no depth to any of these comics-- which, depending on your point of view, might be the perfect vehicle for some cheap laughs. There's certainly no indication that any of these strips were labored over or self-censored, that's for sure. These comics are straight from Johnny Ryan's id to your eyes. That's fine, but that tack works best in very small doses. But if you like a world where there are no rules about sexism, racism, and wholly tasteless jokes, this is for you. If not, run far away.0 of 0 people found the following review helpful. Extra sick with sick sauce, please.By Paul SchmittJohnny Ryan's Blecky Yuckerella is pointy, political incorrectness with a sense of humor. If you have a sense of humor, you'll double over in pure revulsion and total hilarity at Blecky, Loady and the gang.

America's stupidest second-grader is back! This is the third collection of Johnny Ryan's weekly comic strip, Blecky Yuckerella, as seen in the pages of Vice magazine and elsewhere. Blecky is a four-panel gag strip in the tradition of Underworld, Maakies, and Nancy, but with much more generous portions of bodily fluids and toilet humor. Blecky Yuckerella is the ugliest girl in the second grade, and the only one with three-day stubble, but she's got a lot of heart! The strip's cast of characters also includes Blecky's Aunt Jiggles, her best friend Wedgie, Insanio the Cat, and many other absurdist goofballs. This book collects over 100 strips for the first time, and Ryan's unmistakable blend of politically incorrect gags and social satire is as sharp as ever.

Blecky Yuckerella is Ryan's broad-stroke conflation of Nancy and Little Orphan Annie transmogrified into a nightmare so creatively scatological you can't help but laugh. - The Boston Globe This guy is literally the funniest cartoonist living in the world today. These sick vignettes about his anti-heroine Blecky Yuckerella deserve to go down in history alongside Peanuts and Garfield. - Vice About the Author Johnny Ryan was born in Boston, MA, and lives in Los Angeles, CA. He is the co-creator and co-executive producer of the Nickelodeon TV series Pig Boat Banana Cricket.
