Richard Schickel : Conversations with Scorsese before purchasing it in order to gauge whether or not it would be worth my time, and all praised Conversations with Scorsese:

Now in paperback, and with a new afterword: the history and process of moviemaking in general, and of Martin Scorsese's brilliant and varied films in particular, through the words and wit of the master director. With Richard Schickel as the canny and intelligent guide, these conversations take us deep into Scorsese's life and work. He reveals which films are most autobiographical, and what he was trying to explore and accomplish in other films. He explains his personal style and describes many of the rewarding artistic and personal relationships of his career, including collaborations with Robert De Niro, Harvey Keitel, Jack Nicholson, and Leonardo DiCaprio. An invaluable

illumination and appreciation of one of our most admired film directors.
