Five StarsBy CuZGreat and funny true book at the same time -worth a read if you are a blackberry user.0 of 0 people found the following review helpful. CrackBerry: True Tales of BlackBerry Use and Abuse.By MeganA must-read for every BlackBerry user! As an avid BlackBerry user, I saw myself described in each and every page of this book and, had it not been for the insightful knowledge that the authors

impart, I would still be blind to what a BlackBerry addict I really am! Good for a chuckle at yourself, too! 0 of 0 people found the following review helpful. Enjoyable, But Would Want Blackberry History By Music Lover This book shares experiences of BlackBerry users and is insightful and helpful in lessening BlackBerry addiction. Parts of the book are hilarious, and it should help bring BlackBerry users together. But would have liked there to have been more detail about the BlackBerry's inception and evolution.

A delayed train, a dip in the conversation, an early morning hour with no sleep during these moments, do you feel an overwhelming urge to grab your BlackBerry? Do you know someone else who does? If the answer is yes, then look no further than this one-of-a-kind book *CrackBerry: True Tales of Blackberry Use and Abuse* covers the phenomenon of BlackBerry Addiction, offering true-life accounts of BlackBerry dependence and mishaps. You'll find comfort and humor in the unbelievable tales of BlackBerry abuse and also learn some valuable tips along the way. The definitive guide to responsible BlackBerry use. How to tame and get the most out of your BlackBerry device BlackBerry etiquette guidelines This book offers a comprehensive "12 Step Plan" for BlackBerry users and abusers. It's a must have if you own a BlackBerry, and maybe it's the perfect gift for a friend who is showing signs of a BlackBerry addiction.
