David Richardson, Javana Richardson, David Javana Richardson : Cracked Web, the Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Cracked Web, the Book:

From the annals of humor on the Internet, comes this web-published group of interesting commentary. No person,

place or thing has been spared. Included is a satirical look at movies, TV, holiday crafts, gifts and songs as well as home remedies, cooking lessons and "The Poetry Corner". If you're in the mood for weird, wacky or just down-right bizarre, order this book. It will have you rolling in the aisles in no time! You can now find CrackedWEB included in the Microsoft Bookshelf Internet Directory, from , a hand-picked creme de la creme listing of web sites.
