This book is great! As a Rocky virgin (:(Yeah I know... how do I live?) this book lets you right into the world of Rocky Horror. It has an incredible group of pictures. Most of them are black and white but some are in full colour. This book lets you have the ultimate Rocky Horror experience, especially for those of us who haven't seen the show. It's like a glimpse into the Rocky cast and show. This book is not being printed anymore unfortunately but if you can find a copy buy it! It is the greatest book and a must for any Rocky Fan.
