Willard A. Palmer : J.S. Bach : An introduction to his Keyboard Music (Alfred Masterwork Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised J.S. Bach : An introduction to his Keyboard Music (Alfred Masterwork Edition):

0 of 0 people found the following review helpful. i love these books.By James Cruethese introductory books are great. i consider myself an intermediate player (whatever the hell that means) (ive been playing for a few years), and these things really help me. they are fun to play. the print is perfect. the songs are not too hard (but they may be difficult to master). Very enjoyable for most skill levels0 of 0 people found the following review helpful. This is the best edition

for a first Bach performerBy K. SI am a piano teacher. This is the best edition for a first Bach performer.0 of 0 people found the following review helpful. ... learning to play the piano and this book is awesome. Challenging for a beginner but the music is ...By TedI'm an older guy learning to play the piano and this book is awesome. Challenging for a beginner but the music is wonderful.

This diversified collection guides students to develop stylistic performances of Bach's keyboard works. Among the 27 selections are numerous menuets, ""short"" preludes and suite movements. The introductory material contains an excellent discussion of ornamentation, rhythm, articulation, tempo and dynamics in the keyboard music of this master composer.
