But the print is very good and easy to readBy CustomerThis edition does not have fingering suggestions. It does not have tempo markings. But the print is very good and easy to read.

J. S. Bachs Sonatas and Partitas for solo violin, fully transcribed for the mandolin. Transcribed by a mandolinist, the tablature finger positions have been carefully devised in order to include all voices from Bach's manuscript, with consideration of their intuitiveness for the player. Includes all pieces from the 3 Sonatas and 3 Partitas.
