Original Radio Broadcasts : Jack Benny International (Old Time Radio) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jack Benny International (Old Time Radio):

0 of 0 people found the following review helpful. Classic comedy/poor production values....By Johnnie TorchI have to give 5 Stars to the timeless humor of Jack Benny. Nothing less would do! There are a few things to be leery of with this set however. For example the first disk has the first episode twice. The 2nd episode listed (Back from London) is missing completely. The inner sleeves holding the discs is also very poorly made. They tore from the spine before the case was opened the first time!

Loved by millions the world over! That's Jack Benny - a man who managed to make friends in every corner of the globe (even though he never picked up the check). Here's a laugh-filled collection of Jack's international exploits, both real and imagined. From Venice to Quebecfrom the Queen Mary to the KlondikeMary Livingstone, Phil Harris, Eddie Rochester Anderson, Dennis Day, and Don Wilson are along for the ride! Are you? Passport, please! Includes eight digitally restored and remastered episodes, and a Program Guide by radio historian Elizabeth McLeod.
