not under the WeatherHeres what the episode list saysJack goes to the psychiatrist (jack hears an echo)Jack goes to the doctor for a check upJack talks about his IllnessJack meets speed Riggs at the doctors office (eye doctor)Jack goes to the DentistJack goes to the doctor for a Vitamin shotPolly goes to the psychiatristDennis Goes to the PschiatristIn the dentist one he is just going for a check up with Mary and a teeth cleaning... Most of these shows are Jack meets Frank Nelson as most of the doctors (who is not a favorite of mine) I was sort of hoping for Jack the Hypochondriac.I Do like the Coffee shop setting for the Gang. The Waitress is Priceless "what'll you have Mac?" And they were there about three times in this collection..... Jack is very precise on how he wants his sandwich The Tomato on top then the Lettece then the turkey then the mustard Etc and he wants it cut in threesThe Waitress calls out A Turkey sandwich for an anchitect.LOL Well maybe you had to be thereThe shows are Ok Just not what I was expecting0 of 0 people found the following review helpful. Jack Benny audio CDBy Dr. Terry J. MoodyThe Jack Benny radio series of the late 30's and 40's and 50's exemplifys the standard of comedy during those decades. His show is always funny, sometimes hilarious! This series was a bit disappointing. The show with Orsen Wells made the whole audio CD worth the purchase. The other shows however, were disappointing.

Jack is healing his mind, dealing with doctors, and reeling from the bills - but the one-liners fly even when the fever is high. Got a cold? Flu? Let Jack, Mary, Rochester,Dennis, Phil, and the whole gang prove to you that laughter really is the best medicine! Most often heard as Jack's pompous medical practitioner was the inimitable Frank Nelson. Who better than a snide, abrasive physician to make this perfect parody of a pathetic patient squirm? Yes, a visit to the doctor was reliable for wry humor (if not a cure)! Includes 8 digitally restored and remastered episodes, and a Program Guide by Elizabeth McLeod featuring photographs and a history of the ultimate comic hypochondriac. EPISODES INCLUDE: The Psychiatrist (a.k.a Jack Hears an Echo) 11-07-48, Jack Goes To the Doctor For a Check Up 01-21-51, Jack Talks About His Illness 03-18-51, Jack Meets Speed Riggs at the Doctors Office 05-27-51, Jack Goes To the Dentist 04-06-52, Jack Goes To the Doctor For a Vitamin Shot 11-09-52, Polly Goes To the Psychiatrist 09-27-53, Dennis Sees a Psychiatrist 11-28-54
