Mordecai Richler : Jacob Two Two Meets the Hooded Fang before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jacob Two Two Meets the Hooded Fang:

0 of 0 people found the following review helpful. Classic children's book By Ethyl Humorous Canadian classic inspired by author's son. 1 of 1 people found the following review helpful. Great book By Phil Crissman I read this as a kid, and just read it again to my 5YO. He wasn't sure about it at first, but he really wanted to know what would happen next. Its wonderfully written and paced; a great book for kids (and adults). 1 of 1 people found the following review helpful. A delightful book By Speedy Jacob Two Two Meets the Hooded Fang is as much fun for adults to read as it is for children. It's a great story to read aloud in different voices. Jacob Two Two has a very bad day and runs to the park and has a very vivid dream about the Hooded Fang, a professional wrestler, and a variety of other characters but in the end he is rescued by his older brother and sister. Some children will have to be read to and parents should read the book before exposing children who are easily frightened to it.

While things were bad at home for Jacob, things are far worse on Slimer's Isle, where sharks are in the waters surrounding the place and a bad-tempered, child-hating strongman named Hooded Fang runs the show. Reprint. NYT.

Everyone should go out tomorrow and beat his local bookseller into submission if he hasn't got a nice, plump display of books titled Jacob Two-Two Meets the Hooded Fang. New York Times Book From the Inside Flap Poor Jacob Two-

Two. Not only must he say everything twice just to be heard over his four brothers and sisters, but he finds himself the prisoner of the dreaded Hooded Fang. What had he done to deserve such a punishment? The worst crime of all ? insulting a grown-up! Although he's small, Jacob is not helpless, especially when The Infamous Two come to his aid.
