Barbara Seagram : Jacoby Transfers (Practice Your Bidding) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jacoby Transfers (Practice Your Bidding):

0 of 0 people found the following review helpful. Five Stars By Ms.Firebird Another addition to an excellent series on no trump bidding responses and rebids. Great examples and exercises.

Each book in this series allows players to learn a new convention, then practice using it either on their own or with a favorite partner.
