This is great!By Drink_DeepThis guide is very detailed, very well constructed and has been very useful in getting all the achievements in the game.0 of 0 people found the following review helpful. Jak II Strategy GuideBy DnielandThe guide was good, but not as good as the Jak 3 Strategy Guide. The guide seemed forced and not helpful at times. I also think the price was too high.0 of 0 people found the following review helpful. Jak 2 Guide ReviewBy Elisha BlackmonStill currently using Jak 2 Guide to play Jak 2. Guide has an excellent layout, colorful and is easy to follow when playing.

You Don't Know Jak II Yet, but You Will With the Tips Inside Our Guide!BradyGames' Jak II Official Strategy Guide features a step-by-step walkthrough to help players master every aspect of the game. Scoring strategies demonstrate

how to squeeze every point out of each level. Expert boss tactics. Complete item, weapon, and attack move lists. Game secrets revealed, and more! Platform: PlayStation 2 Jak II, the sequel to the 2001 hit Jak and Daxter: The Precursor Legacy, has a new theme--revenge. The story begins as the two heroes stumble upon an energy portal which propels them hundreds of years into the future in a foreign city ruled by a baron. Jak is immediately captured and thrown in jail by the baron's henchmen, where experiments are conducted on him. After two years in captivity, Jak escapes with Daxter's help and plots revenge on the baron. The game is a true plot-driven adventure, where every mission has a direct effect on the storyline. With stunning graphics and animations, Jak II takes gamers on a journey through an enormous mystical world. The visual impact and detail to both the environments and the characters is apparent. In addition, multiple weapons have been added that can be used anytime, and numerous power-ups are in every location. The game also features over one hour of cool cinematic animations.
