James Taylor : James Taylor -- Greatest Hits before purchasing it in order to gage whether or not it would be worth my time, and all praised James Taylor -- Greatest Hits:

0 of 0 people found the following review helpful. JT at his finest! By Mark Francis Some 70's classics here. I bought it for Fire and Rain, but enjoy most of the rest. I don't care for Steamroller. Believe it or not, I think Elvis Presley covered that song better than JT! 0 of 0 people found the following review helpful. I'm not good at memorizing cord patterns. By Horse Has many of the songs I wanted, and cords are given as alphanumeric with # and such, but not the actual depicted cords showing placement on the guitar neck as most of these books do. I'm not good at memorizing cord patterns, so will have to transcend that or actually draw in cords on each song. I am a bit disappointed in it. Had the product description shown that, I would have passed on ordering it and got something else instead. 0 of 0 people found the following review helpful. At last! The mysteries of James Taylor unraveled. By Random Guy I can now play

some of those songs with mysterious chords and unusual fingering that the self-taught James Taylor invented. I could never figure out "Fire and Rain" before this book.

Titles: Something in the Way She Moves * Carolina in My Mind * Fire and Rain * Sweet Baby James * Country Road * You've Got a Friend * Don't Let Me Be Lonely Tonight * Walking Man * How Sweet It Is * Mexico * Shower The People * Steamroller.

From the Publisher Fire and Rain * You've Got a Friend * Walking Man * How Sweet It Is * Shower the People and many others.
