0 of 0 people found the following review helpful. Jumble Recommended...By CustomerJust what I was hoping for. Same as in the newspaper. Not too hard...not too simple. Some are easier than others. Recommended. I will buy more of their jumble books.0 of 0 people found the following review helpful. Good puzzle bookBy Bernice OsborneThe puzzles are great and the print is large. I wish it was spiral, otherwise it's perfect.0 of 0 people found the following review helpful. These are fine puzzles, but I am going for a more ...By Marilyn BesterI solve one or two puzzles every day. These are fine puzzles, but I am going for a more difficult book next time, but not so easy that I don't have to work to solve most of them.

Ideal for an entertaining start to the day or a fun coffee break, these java-themed word puzzles are a mental workout with a humor buzz. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
