Hans-Jurgen Schaal : Jazz: New York in the Roaring Twenties before purchasing it in order to gage whether or not it would be worth my time, and all praised Jazz: New York in the Roaring Twenties:

3 of 3 people found the following review helpful. Beautiful book.By Francisco Fernandez de VegaFor Jazz and Arts lovers. Interesting info, nice illustrations. Not a book on Jazz history. An interesting book in a specific part of the history and some of their leaders. This is the opposite to an ebook: this book confirms why paper books will survive. Perfect for a present.For interested in Jazz history I recommend the book by Gioia: The History of Jazz.0 of 1 people
