Tribune Media Services : Jazzy Jumble: Hip Puzzles That Really Swing (Jumbles) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jazzy Jumble: Hip Puzzles That Really Swing (Jumbles):

1 of 1 people found the following review helpful. great for a jumble puzzle lover By DVD watcher If you enjoy doing jumble puzzles in the paper, you will enjoy this book. (I'm rather addicted to jumble puzzles - I've done over 20 of these books now.) There are 180 puzzles in this book with a couple of levels of "difficulty". The book is the size of a coloring book and has large print. Hours of fun.

With ample allusions to music and plenty of humorous wit, the word puzzles in this collection offer hours of entertainment and valuable cognitive stimulation. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours

of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
