Item as described. 1 of 1 people found the following review helpful. wonderful edition well worth it By Rufus Included is an 8 page arrangement for piano and organ including pedal notation. Printing is dark and pages large and well spaced. I'm still learning this piece. The version I learned previously included only few verses an edit from Cantata 147 in simplified notation. This version has more voicings so it's harder for me to play but it sounds lovely. I will be busy with this for a while. 0 of 0 people found the following review helpful. Jesu, Joy of Man's Desiring - Piano/Organ Duet By frozen in Minnesota The music itself is good. However, the description did not say that you get 2 copies of the music, so I

ordered 1 for the pianist and 1 for the organist. Now I have enough music for 4 people.

This beautiful piano and organ duet arrangement by E. Power Biggs of one of Bach's most enduring and inspiring pieces is easily playable by most church pianists and organists. The pianist will usually be playing the triplet figure, with the organist playing the chordal harmonies and the cantus firmus, however the roles are occasionally reversed, adding variety and interest. This is a perfect choice for performance or just for setting the mood for services and is a must for the church musician's library. Two copies included.
