It's difficult but a good challenge for her future playing. 2 of 2 people found the following review helpful. They really need to make a Volume 2... By Stefanie Hutson I bought this book for Bouree, but there were definitely some other Jethro Tull favorites I would have liked to see in here. The arrangement for Bouree is perfect, and even a relative beginner will have no trouble playing at least the first section of the song. My

only complaint is that the book wasn't longer. If a Volume 2 comes out, I'll definitely buy it. 0 of 0 people found the following review helpful. CoolBy AlexanderusNear perfect for any Jethro Tull fan that is trying to learn the flute. I am a little disappointing that some songs are missing, but I presume this book came out before them, or simply was published without them. Still, rock on!

(Artist Books). Flute solos from 18 Jethro Tull songs have been transcribed for this collection. Songs include: Bungle in the Jungle * Cross-Eyed Mary * Fire at Midnight * Look into the Sun * Nothing Is Easy * Thick as a Brick * The Witch's Promise * and more.
