before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Finnemore's Souvenir Programme Series 5: The BBC Radio 4 Comedy Sketch Show:

1 of 1 people found the following review helpful. Great humour. By Heidi Johnson I love these and listen to his programs while I do dishes. Great, above the belt comedy. Give him a try on YouTube and then buy the cds. 0 of 1 people found the following review helpful. Clever and Funny By Molly He is one of the cleverest and funniest people on radio.

The complete fifth series of BBC Radio 4's award-winning sketch show, written by and starring the writer of Cabin Pressure. John Finnemore's Souvenir Programme has won a host of awards, including the 2015 BBC Audio Drama Award for Best Scripted Comedy with Live Audience. Written by and starring John Finnemore, this fifth series of the hit show returns with more witty wordplay and laugh-out-loud sketches. These six episodes include an unlikely wager, a troubled bluesman, a rip-roaring adventure on the high seas, a new approach to the News, and, well, since you asked him for a tale of espionage . . . In addition, the voices in John's head push him to the tipping point, we look back at a career in accounting, hear of an overrated experience and, we're sorry to say, Patsy Straightwoman returns with an interview sketch. John Finnemore's Souvenir Programme also features Margaret Cabourn-Smith, Simon Kane, Lawry

Lewin, and Carrie Quinlan. Duration: 3 hours.

"One of the most consistently funny sketch shows for quite some time." Guardian
