John Finnemore : John Finnemore's Souvenir Programme: The Complete Series 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised John Finnemore's Souvenir Programme: The Complete Series 1:

3 of 3 people found the following review helpful. Brilliant! (as Arthur Shappery would say)By crankypantsJohn Finnemore is the best comedic export from the UK since Monty Python. He is a wonderful combination of perceptiveness, razor-sharp wit, silliness and fundamental kindness. Unlike most US comedians who rely on the lowest common denominator for connecting with their audience (junk food, tv commercials, bratty kids), Finnemore assumes that you are not an idiot, and feels free to explore any topic -- literary, historical, etc. Some highlights from Series 1 include: an intervention for Winnie the Pooh's honey addiction; 500 things to do before you are 30 (a 2-minute skit that identifies and heals 90% of the world's neuroses); correspondence between Dr. Jekyll and Mr. Hyde regarding their room sharing issues; the difficulty of getting that first phone message you leave for someone you met in a bar last night just right; navigator cats . . . You never know what will come next, but you can be assured that it will be belly-laugh funny.0 of 0 people found the following review helpful. brilliant sketch comedyBy 2burmesel love John Finnemore's sketch comedy programmes. I have all that are available on CD and I enjoy listening over and over!1 of 1 people found the following review helpful. Absolutely Brilliant!By Tac AndersonJohn Finnemore is brilliant. We first came across his work because of the BBC radio show, Cabin Pressure, that he writes and produces and stars Benedict Cumberbatch. We've since ordered every season of Cabin Pressure, but still wanted more. That's

when we discovered John Finnemore's Souvenir Programme. We were not disappointed and I personally like it even better than Cabin Pressure. Souvenir Programme is a hilarious sketch comedy radio show Finnemore produces for the BBC. Our whole family loves and have listened to this CD several dozen times already and just ordered the second series. Highly recommended!

****WINNER of the BBC Audio Drama Award 2015 for Best Scripted Comedy (Studio Audience)**** John Finnemore, writer and star of Cabin Pressure, returns in four episodes of his own sketches, as heard on BBC Radio. These episodes feature a tiger with a gun, reveal the truth behind the war effort, visit some documentary-makers, has a big debate and then treats itself to a little trophy. Plus, there are also some musical interludes from the zoo. John Finnemore's Souvenir Programme is written by and stars John Finnemore (The Now Show, Miranda, That Mitchell and Webb Look). It also features Carrie Quinlan (The News Quiz, The Late Edition), Lawry Lewin (The Life Times of Vivienne Vyle, Horrible Histories) and Simon Kane (Six Impossible Things). 2 CDs. 1 hr 51 mins.

"Head, shoulders and some of the torso above most radio comedy: every sketch is a clever idea neatly executed, with tricky wordplay and dazzling ideas." Jack Seale, Radio Times
