**John Finnemore : John Finnemore's Souvenir Programme: The Complete Series 2** before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Finnemore's Souvenir Programme: The Complete Series 2:

1 of 1 people found the following review helpful. Just great humor By Heidi Johnson LOL funny, clean humor. Just delightful as a companion to doing the dishes. 2 of 2 people found the following review helpful. More brilliance! By crankypants Series 2 of Souvenir Program is more consistently funny and amazing than Series 1, which is saying a lot (see the reviews of Series 1). The forgetful goldfish sketch reaches the sublimely ridiculous heights of Monty Python's dead parrot sketch, and (I predict) will some day become just as famous. Other highlights include: a recorded museum tour for 5-year olds; exactly how investment bankers make money (the end of this sketch is pure genius); the therapist who won't tell his patient what she should do; the problem with negotiating through messengers; the real reason for King Herod's slaughter of the innocents; an interview with a vulture . . . Anything and everything is fair game for Finnemore's wonderfully playful and brilliant mind. I can't wait for Series 3 to become available.

**\*\*WINNER of the BBC Audio Drama Award 2015 for Best Scripted Comedy (Studio Audience)\*\*** In these six episodes, which make up the complete second series, you'll hear some moth-based lunacy, an awkward celestial relationship, a heartwarming tale of the days before health and safety, a sketch about messengers, a sketch about alchemy and a sketch about the word sketch. Plus, how The Archers sounds to people who don't listen to The Archers and the world's oldest hymn - as well as many other sketches featuring acute observations and wonderful wordplay.

John Finnemore's Souvenir Programme is written by and stars John Finnemore (The Now Show, Miranda, That Mitchell and Webb Look). It also features Carrie Quinlan (The News Quiz, The Late Edition), Lawry Lewin (The Life Times of Vivienne Vyle, Horrible Histories), Simon Kane (Six Impossible Things) and Margaret Cabourn-Smith (Lab Rats, A Very British Cult). 3 CDs. 2 hrs 47 mins.

"The best sketch show in years, on television or radio." Radio Times
