John Patrick : John Patrick's Sports Betting: Proven Winning Systems for Football, Basketball, and Baseball before purchasing it in order to gage whether or not it would be worth my time, and all praised John Patrick's Sports Betting: Proven Winning Systems for Football, Basketball, and Baseball:

1 of 1 people found the following review helpful. I read this book years ago when I first moved ...By RoyI read this book years ago when I first moved to Las Vegas, Nevada in 1999 and it was a HUGE help, and chose to purchase it again read it for a second time and add it to my library, especially now since it will be totally out of print in a few years or priced so high you won't want to buy it! We all need a refresher at times and something to redirect our course because bettors often stray away from the basic tenements that we learned when we first started and what worked in the past.I truly suggest to those that are wanting to start betting sports as a hobby or something to create a little cash on the side for yourself to get this book,and take notes as you go. He teaches things with dry humor which some might not get or appreciate but the advice he gives IS NOT TO BE IGNORED.We are never too, old to learn something new especially when it comes to sports betting.Roy H9 December 2016Las Vegas, Nevada8 of 8 people found the following review helpful. Kudos To A Well-known ProfessionalBy Schafe (schafeathome@yahoo.com)If you're looking for "get-rich-quick" systems on sports betting, then look elsewhere (and you'll be looking for a *long* time, too!). But, for the average income gambler like myself, you'll make good use of the author's betting theories, money management and discipline guidelines. Filled with dozens of examples, John Patrick's book on one of the most popular

forms of gambling explains how to manage your money and turn a profit simultaneously at this exciting game of chance. Read it, digest it and follow it. You'll be glad you did.0 of 0 people found the following review helpful. Three StarsBy kelsey brennangood item good price

NEW book.
