This is just what she needed. 0 of 0 people found the following review helpful. recommend. By Dshopper Our daughter is just beginning to play piano. May use it later. recommend. 22 of 23 people found the following review helpful. Spell your notes, please! By Carole L. Martin This book explains music theory in such an easy way even I can teach it! The child learns the staff, the symbols and notes and how to count. Very basic and very easy to teach!

(Willis). Thompson's popular Note Speller includes drills in notation and musical rudiments for the piano student. Notes are presented so that learning to read notes goes hand-in-hand with the student's piano lessons.
