Barry Johnston : Johnners: The Life of Brian before purchasing it in order to gauge whether or not it would be worth my time, and all praised Johnners: The Life of Brian:

With his schoolboy humour and his distinctive, cheerful voice, 'Johnners' was a friend to millions of radio listeners and when he died in 1994 at the age of 81, the "Daily Telegraph" described him as 'the greatest natural broadcaster of them all'. Told with candour and affection, "Johnners - The Life Of Brian" reveals the private side of a man who became a national institution.

JOHNNERS is a richly entertaining tribute to one of the pioneers and characters of radio and television broadcasting and will appeal to cricket lovers and non cricket lovers alike * Birmingham Post * Johnston manages to steer that fine line of being the guardian of his father's memory without being sentimental...I found it immensely moving to read of the darker moments which touched the life of the man who has so often lifted me out of my own doldrums with his

easy good humour * Sybil Ruscoe, Daily Telegraph * In the commentary box at the end of every Test match the commentators vote on the Brian Johnston champagne moment - something extraordinary, memorable, even absurd. It is a fitting monument, as is this respectful, loving book * P.J. Kavanagh, Spectator * A beautifully balanced book. It certainly does tell the whole story * Christopher Martin-Jenkins, BBC Test Match Special *About the AuthorBARRY JOHNSTON is Brian's eldest son. He appeared with the harmony group Design on more than 50 television shows in the 1970s. He moved to Los Angeles where he presented the breakfast show on KLOA Radio, and has broadcast regularly on BBC local radio and Radio 5. He now runs BarryMour Productions and has produced audio cassettes by Tony Benn, Dickie Bird, Jack Dee and many others.
