Takes away the terror and shows that, underneath the violent language, like a group of GandhiansBy Happy PoetTakes away the terror and shows that, underneath the violent language, like a group of Gandhians0 of 0 people found the following review helpful. Whoop WhoopBy Chad WilkisonVery well written and has heart. If you're a Juggalo you already get it. If you're not a Juggalo, well maybe

you'll at least get some of it. The Dark Carnival is waiting...0 of 0 people found the following review helpful. Good read
By Loco-DoggWhoop! Whoop!! Enjoyed reading this book, right up there with Behind the Paint. Much Muthaphukin Clown Luv For Life! ;)

Juggalo: Insane Clown Posse and the World They Made is a vivid journey into the heart of a misunderstood subculture. Through firsthand reporting, including interviews with Violent J and Shaggy 2 Dope of the Insane Clown Posse, their friends and family, and numerous devoted fans, Juggalo explores the lives of the proud outsiders who are frequently labeled as a threat or dismissed as a joke. Author and journalist Steve Miller follows ICP across America, hanging out with Juggalos before and after shows, at the legendary annual Gathering of the Juggalos, and at work and home to share their stories. In addition, Juggalo dives deep into the FBI's misguided assault on Juggalo culture and the misidentification of this devoted group of horrorcore fans as a gang. Juggalo is also the chronicle of two hard-luck kids from Detroit who created an empire and became the unwitting stars of a uniquely American grassroots success story. Without the help of radio airplay and with little love from the music industry establishment, ICP went platinum and fostered one of America's most durable subcultures. Juggalo is required reading for the hardcore fan and pop culture buff alike, a scrupulously researched account of a subculture unlike any other one that so shook the establishment it launched a federal investigation as well as a window into the world of the Juggalos and the singular mythology of their underworld apocalypse.

A more well-rounded portrait than you'll find elsewhere. Violent J, co-founder of Insane Clown Posse, 8/21/16
[An] incredible book I'm reading about shit that I had absolutely no idea about. Ninjas, this book is a must it's not a [Psychopathic Records] or [Insane Clown Posse] product it's an honest, incredibly researched, unbiased book by a very respected author.
