From Brand: Thunder Bay Press : Juggling (Retro Tins) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Juggling (Retro Tins):

If you're like most people and have too many balls in the air, you might want to learn how to master them. And you can, with literal juggling balls that is. Can you believe--ancient wall art suggests that juggling has been around since 1800 BC! Juggling is great for improving hand-eye coordination, concentration, imagination and creativity, and problem solving. It has even been shown to help people better understand both mathematics and physics.- Everything you need to enjoy this timeless activity.- Learn all the basics with this one compact, deluxe set. Juggling contains everything you need to get in flight!

About the Author Jess Tyrrell is an award-winning children's product designer based in the beautiful Georgian city of Bath, U.K. She works in partnership with Robert Frederick Ltd. to produce successful licensed stationery ranges for a worldwide market.
