There are 180 puzzles in this book with a couple of levels of "difficulty". It's the size of a big coloring book and has larger print (which I prefer). Great for the jumble puzzle lover - hours of fun; helps keep the mind sharp.0 of 0 people found the following review helpful. Great fun for puzzle lovers!By Jeffrey B.Great fun for puzzle lovers! This full size book is great for playing with a friend.2 of 2 people found the following review helpful. Mom loves JumblesBy C. GreenMy mom loves the daily Jumble in the paper so I got her this book. The print is large which is a bonus. The only reason I did not give it 5 stars is because on the cover, the puzzles look like they will be in color, but in the book, each page is like a coloring book picture, all black and

white.

Another classic collection in the making, this book of word scramble puzzles is a quick way to liven up downtime. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
